

Security Threat Lockdown in Classrooms And Playgrounds

Notification

Announcement on the intercom, **“Please follow lockdown procedures immediately.”**

Responsibilities

- 1) Carly Turner will dial 911 and begin giving information until Jessie Sprouse is available.
- 2) Staff members will immediately collect unattended children in the hallways or on the sidewalks and lock their classroom doors.
- 3) All support staff will go in to the nearest room and lock the door.
- 4) All classroom blinds are pulled and lights are turned off. Students are directed to get to a secure place away from the windows.
- 5) All teachers will account for extra or missing students. This information will be relayed by intercom or telephone by Ashley Kooreny.
- 6) Ashley Kooreny will check in with each teacher by using the phone/computers. She will get a complete list to share with us via email (if possible).
- 7) Staff should not open a classroom door during a lockdown. All requests to enter should be considered suspect. Teachers should ask for an identification badge before opening the door.

If students are outside:

- 1) The playground supervisors will use a whistle to announce the emergency situation, and/or the office will use the outside speakers.
- 2) Upon hearing the whistle or announcement, the students will walk quickly to the Don Argo Gymnasium. Upon entering the Don Argo Gymnasium, the students will line up in the gym by class. The students will remain in the Don Argo Community Gym until cleared by the office staff.
- 3) The playground supervisor will lock the gym doors with the Allen Wrench, which is located on the kitchen wall.
- 4) Playground supervisors will use the phone to notify the office of the situation.
- 5) Playground supervisors will take roll of the classes that are in the gym with the student list that is in the kitchen area.
- 6) Students will remain in the Don Argo Gymnasium until cleared by the office staff. Ashley Kooreny/Carly Turner will get medication to a student as needed.
